LOOKS GOOD SURE

Railroad Talk at Salem That May turn out to be more than Talk.

The little town of Salem is all in excitement over the railroad possibilities for the town. Every citizen is all eyes and ears to see and hear anything that will help some toward getting the road which the Chicago & St. Louis capitalist seem determine to put at once.

The locating survey started Monday and it is thought that the road will run to some point on the I. C. near Mexico, giving Salem an outlet to the railroad and giving Livingston county another 3 1/4 miles of railroad.

Salem has had many excitements over the probabilities of a railroad branch line but this seems to outweigh anything that ever been proposed or so stated by those who are in position to know. When Salem gets her railroad the whole county will celebrate and continue to celebrate till Smithland is included in the list of fortunates also.—Smithland Banner.

A Live Wire

Every nerve is a live wire connecting some part of the body with the brain. They are so numerous that if you penetrate the skin with the point of a needle you will touch a nerve and receive a shock—pain it is called. Aches and pains come from a pressure, strain or injury to a nerve; the more prominent the nerve the greater the pain. When the pain comes from a large nerve it is called **Neuralgia**.

whether it be the facial nerves, or the heart, stomach, sciatic or other prominent nerve branch. To stop pain, then, you must relieve the strain or pressure upon the nerves. Dr. Miles' Anti-Pain Pills do this.

"I suffered intense pain, caused by neuralgia. I doctored and used various medicines without getting relief until I began taking Dr. Miles' Anti-Pain Pills. They did me more good than all the medicines I ever used. They never fail to cure my headaches, and their use never leaves any bad after-effects."

MRS. WM. BECKMAN,
927 W. 4th St., Erie, Pa.
Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails, he will return your money. 25 doses, 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.

Bowel Trouble

is a sure sign that your digestive organs are overworked—too heavily burdened—in a state of rebellion. It is a serious condition, and if neglected will result in complications of the gravest character.

Death not infrequently ensues as the penalty for thinking that the trouble will correct itself and disappear unassisted.

Don't neglect this condition—don't invite disaster by delay, but go to the nearest druggist and buy a bottle of **Dr. Caldwell's Syrup Pepsin**.

It is the safest, quickest-acting and most effective remedy in the world for all bowel and stomach troubles—pleasant, powerful, and penetrating. It reaches the seat of the trouble and instantly corrects it.

The confined gases are released, fermentation is stopped and the affected locality soothed and strengthened.

DR. CALDWELL'S SYRUP PEPSIN can be obtained in both dollar and half-dollar sizes at all druggists.

Your money will be refunded if it does not benefit you.

Your postal card request will bring by return mail our new booklet, "DR. CALDWELL'S BOOK OF WONDERS" and free sample to those who have never tried this wonderful remedy. Mail your postal today.

Night Riders Again Rampant

Night riders to the number of twenty or more went to Golden Pond, in Trigg county, Tuesday night and set fire to a tobacco warehouse operated by Mr. Wilson for Wm. Bogard, an independant buyer.

The men were masked and heavily armed, people who came to their doors were driven back by shots and one house shot into several times.

The warehouse contained about 8000 pounds.

The wires of the Cumberland Telephone Co., were cut as soon as the incendiaries began their work.

Golden Pond is between the rivers, about 5 miles below Canton, Trigg county.
